

FIFTH RIOTER DEAD  
AT WASHINGTON O.THEODORE AMERMAN EXPIRED  
THIS MORNING.

Dolby, the Negro Prisoner is Safe in His Cell in Columbus and There is No Fear of Further Trouble—Reporters Story of the Bloody Night's Battle.

COLUMBUS, O., Oct. 19.—Theodore Amerman, the fifth victim of the Washington Court House riot, died this morning. All excitement has subsided. Dolby's removal to this city was accomplished without disorder.

The prisoner was taken from the train at Dennison avenue and walked to the prison, one wall of which is on the avenue. The military remained in the cars and were carried to the union station. All troops have left Washington court house.

A Columbus reporter who came up with the train says that after midnight the excitement at Washington Court House quieted down. The citizens had nearly all gone home. Yet many persons stood on the neighboring corners until a much later hour discussing the affair, as may be readily imagined in connection with such a terrible sensation as the killing of two men and the wounding of eleven others by the militia. Some of these people who remained about the court house were supposed to be in a plot to blow up the building with dynamite. There had been so much talk about a possible occurrence of that kind, based upon what seemed to be reliable evidence, that the vigilance of the militia was kept at high tension.

The military, all told, until 3:30 in the morning, numbered less than one hundred men. Against the surging hundreds of men who crowded into or about the court house this small band had kept up the determined front for twelve or fifteen hours. When the First Regiment from Cincinnati, and two companies from the Fourteenth, at Columbus, arrived at that hour, a square was formed by the men of the Fourteenth, and, escorted by the First, the line of march for the cars was taken up, the negro being in the square. He had been in the court house about twelve hours, the officers not daring to attempt to return him to the jail after the sentence had been passed. En route to the cars in the early morning nothing of interest occurred except that a good many people were on the streets. Beyond an occasional voice in the stillness of the hour uttering threats and disapproval the affair closed in rather a weird way. Another victim died yesterday.

After this he was carted around by night and confined in buildings by day, always under guard. He was finally released near Cincinnati. DYNAMITE ON TRACK  
TO WRECK A TRAINDESPERATE ATTEMPT TO ROB  
A B. & O. EXPRESS

The Plot Miscarried and Only a Freight Was Stopped—Were After the Mail and Money Supposed to be on Board—Two Women Killed at a Crossing.

PITTSBURG, Pa., Oct. 19.—What is believed to have been a desperate attempt at train robbery was made Wednesday near this city on the Baltimore & Ohio road. At 8 o'clock an eastbound accommodation train ran over a dynamite cartridge near Bissell, at a very lonely spot about fifteen miles from Pittsburgh. The flange of one wheel was blown off and one end of a coach wrecked. As the train had nearly reached the end of its trip there were few passengers aboard and no one was injured. An examination of the track disclosed two more powerful dynamite cartridges on the rails. Had the train been running fast it would have exploded all three cartridges and been totally wrecked. It is pretty well known that the intention was to wreck the mail and express, a through train from the east due a few minutes later, but the robbers made a mistake and placed the cartridges on the east bound track instead of the west bound. Arrests are expected to-day.

The horse was uninjured. Both ladies were residents of Byron and were followers of Schweinfurth, the Rockford Christ, Mrs. Eddy being the leading lady of the Beekmanite society, and had been for some years engaged in writing a bible of their faith.

Mr. Thurston opened the evening's debate. He confined himself to the tariff, with the exception of one or two references to the financial legislation of the last congress. He said he was convinced that the next congress would be so overwhelmingly republican that the free trade democrats would never recover from the protest of the honest American citizens. He closed with mild reference to Mr. Bryan's course in congress as lacking the elements of true patriotism.

Mr. Bryan answered the arguments of his opponent in a humorous manner, repeating his advocacy of free trade and his belief in free silver coinage. In closing he presented an exhaustive array of facts and figures in the interest of free trade.

Mr. Thurston had twenty minutes in which to close, and consumed it in an attack on Mr. Bryan.

The sheriff's posse caught George Tyree, Bob and John Taylor, Jim Coburn and several more strikers in the woods, but they were unarmed and profess innocence. They are being held for further investigation. An attempt by the company to work non-union labor in opposition to the demands of the United Mine Workers is the cause of the trouble. Additional trouble is feared, as excitement is running high and heavy guards are being placed.

## NEBRASKA BOLTERS SET BACK.

Supreme Court Decides in Favor of the Bryan Democratic Ticket.

LINCOLN, Neb., Oct. 19.—The Supreme court handed down an opinion yesterday which turns out to be an abrupt set back for the bolting democrats in Nebraska. The opinion of the judges concurs with that of the certificate of the bolting delegates as the representative ticket of the democratic party, and says further it is the sense of the ballot law that the name of each candidate shall appear only once on the official ballot, followed by such political designations as correspond with the nomination papers on file with the officer charged with the duty of printing and distributing them. The decision was not received favorably by the bolters, but they have already signified their intentions of putting up their ticket by petition.

SIMLA, Oct. 19.—The Indian government does not confirm the announcement made by a Lahore newspaper that the Ameer of Afghanistan is dead, but it is believed in government circles the Ameer is dead. The situation at Caboul is considered to be serious. Nothing has been heard of Engineer Pyne or the other Europeans at Caboul for a number of days past. ## Gentry Frozen Out.

NASHVILLE, Tenn., Oct. 19.—Yesterday was a beautiful day for the special race between Robert J., the champion pacer, and John R. Gentry, the holder of the pacing stallion record. Only a rank decision of the judges marred the day and spoiled what would have been doubtless the greatest pacing contest in the history of the light harness horse. This occurred in the first heat between Robert J. and John R. Gentry, and their error in deciding the first heat a dead heat, when Gentry had clearly won it by a neck, was palpable. The driver of Gentry refused to allow the horse to race again, but the judges insisted. Finally it was announced that Gentry had struck his leg, whereupon the judges permitted the horse to be drawn.

## CREEK MUD TURTLES SHIPPED FROM HERE

### ROCK COUNTY SUPPLIES SWELL CHICAGO CAFES

Thieves Steal Select Apples—Miles Rice of Milton Loses Buildings and Machinery by Fire—Little Boy Badly Hurt—Brief Bits of Rock County Gossip

COOKSVILLE, Oct. 19.—A richer harvest than pearls is being gathered by mud turtle hunters. The creek is being raked from shore to shore by two men who carry a big outfit and move up and down the shore in a wagon. Big hauls of turtles have been made, the catch being forwarded to Chicago. Green turtle soup is on the bill of fare at many restaurants where the Cooksville mud turtles play a prominent part. Charlie Miller had nine bushels of apples stolen after he had them picked over and put in barrels. Matthew Terney passed quietly away last Sunday and was buried Tuesday. He was upright and honest and will be missed greatly in the neighborhood. He signed the temperance pledge fifty-two years ago, and was never known to break it. Frank Hubbard and wife and little daughter, of Evansville, called on friends here Tuesday. Miss Avis Savage entertained a young lady friend last Saturday and Sunday. There will be a prohibition lecture here Thursday night, but Oh, how quiet the democrats are. There will be a republican rally in the near future. E. T. Stoneburner has a brother visiting at his home that he had not seen for forty years. He is on his way to visit his daughter in Minnesota. K. W. Speer and daughter of Moscow, Minn., left for their home last Monday, after a very pleasant visit of three weeks in Wisconsin. J. H. Savage is laid up with crick in his back. Fred Black of Evansville, tore down and moved the blacksmith shop that Franklin and Newkirk built last spring. He took the building in payment for the lumber, as that had never been paid for.

### COONS ARE NUMEROUS IN PORTER.

Hounds and Hunters Are Kept Busy at the Autumn Sport.

PORTER, Oct. 19.—Webb Peters recently shot a coon here weighing thirty-eight pounds. Many others have been seen in the woods. Mr. Webb has three bloodhounds that tree the animals, and they are easily shot. Matthew Tiernan died at his home here on Sunday, October 14, of a chronic asthma trouble, aged seventy-three years. He was well known and beloved here, as a christian, temperate man. The funeral, which was largely attended, was held on Tuesday, services being held in St. Michael's church, conducted by the pastor, Rev. J. F. Howe, after which the remains were buried in the Prairie cemetery. Miss Minnie Ford leaves this week to visit relatives in Minnesota. John Burns is looking at farms in this locality with a view to purchasing. Claud Hendrick who is attending Madison University spent Saturday and Sunday at home. Some of our people took advantage of the fine weather last Sunday by attending services in Edgerton. Mr. and Mrs. Will Condon of Newville spent Sunday the guest of G. W. Nichols. There is an auction sale on farm of Watt Daly next Thursday. A number of farmers have finished fall plowing and are husking corn. Sperry Bros. are finishing their seasons threshing this week much to the satisfaction of all patrons. Miss Anna Downey of Dunkirk is to teach in the Hayes district this winter. The school board are fortunate to secure such a competent teacher. The convention in Janesville last Monday attracted a number of our large politicians. There is to be a democratic rally in the Wilder school house Saturday evening, October 27. R. M. Richmond of Evansville and other speakers will address the people.

### MILES RICE SUFFERS FROM FIRE.

Milton Blaze Destroys Buildings and Stock Loss Is \$2,000.

MILTON, Oct. 19.—Miles Rice met with a heavy loss by fire Wednesday afternoon. His large stock barn and silo on his farm east of this village were burned to the ground. The contents of the barn, including a bull and three calves, were totally destroyed. The ensilage did not burn, and it is possible that it may be saved by erecting a new building around it. About twenty acres of corn had been put in the silo. His straw and three acres of beans, that had been put in the barn, a small quantity of clover cut for seed, and some tools were also burned. The loss is very serious, for Mr. Rice, as he is in the milk business, and needs the building and feed for immediate use. The cause of the fire is unknown. The tenant was husking in the field, his children were at school, and the tenant's wife was not at home when the fire was discovered breaking out of the barn roof. His loss is \$2,000, with an insurance of \$900 in the home company. Mrs. W. H. Peck's young son was quite seriously injured Wednesday afternoon, by falling out of a wagon. In company with others he was on his way to the scene of the Rice fire. A gash was cut in his scalp several inches in length, his forehead cut and one shoulder bruised. There will be a republican rally at the Otter Creek church Saturday evening. Good speaking. All are invited to be present and hear the truth. The Blue Diamonds and Miltons played a four inning game Thursday afternoon, which the

latter won by a score of 13 to 10. The Miltons made ten runs in the second inning. Batteries, Greene and Fuller, Davis, Place and Rice and Baus. Deputy Sheriff Nelson and Lawyer Cunningham were in the village Tuesday on legal business. Clem W. Crumb and wife spent Tuesday and Wednesday with Milwaukee friends. Frank Rood came down from New London this week and is just recovering from an attack of sickness. He will remain here for a time and recuperate. Mrs. T. L. Green and Miss Ellen Green, who have been residing for two years, left for North Loope, Neb., Wednesday. W. A. Thompson, spent three days of this week with Madison friends. The parishioners and friends of Rev. C. E. Carpenter, will give him a reception at the M. E. church, next Wednesday evening Oct. 24. The public is cordially invited to attend. Mrs. W. H. Summers has been quite ill, but is improving. Her sickness has prevented herself and husband from going east this week as expected but will start soon as Mrs. Summers is able to travel.

### REVIVAL MEETINGS IN CENTER.

C. P. Black of Ohio Will Hold a Series in the Christian Church.

CENTER, Oct. 19. B. C. Black, state evangelist of Ohio, will begin a series of meetings at the Christian church Thursday night, and will continue for two weeks. Mattie Snyder, who has been visiting friends in Indiana, returned home Wednesday. The literary society met at the home of John Snyder Wednesday evening with good attendance, and the various subjects were ably handled. Mr. Montjoy and family have moved into apartments over William Rittigs. Vankirk wants your fresh eggs at 14c, cash or trade. Mrs. Emma Warren, better known as Emma Schroder, moved to her new home in Evansville on Thursday. Will E. Richards has purchased part of the Stevens estate, which is known as the Rabbit farm. He intends to move in the spring. Claude Rosa was in Beloit over Sunday with his mother. C. S. Crow and wife of Janesville, were out visiting their daughter, Mrs. Fred Fuller, Wednesday. Fred Vankirk is right to the front with a full line of gloves and mittens, and will give more pounds of sugar for one dollar, from now until election time, than you can buy elsewhere, traveling grocery men included. William Dean and wife were at Fort Atkinson over Sunday.

## ZINCK TURNED DOWN BY PARTY BOSSES

### HYZER TO BE THE DEMOCRATIC ASSEMBLY NOMINEE.

German Demands For Recognition Were to Have Been Heeded But There Has Been a Change in the Last Few Days—Much Hard Feeling Results.

Edwin M. Hyzer will be the democratic nominee for the assembly in this assembly district convention. This decision was made this morning by the democratic ring masters. A private caucus was held last evening and again this morning. German democrats will oppose Mr. Hyzer's selection. They have felt for some time that the democrats were using them merely as cats paws. They asked, early in the summer, that the sincerity of the managers be proved by giving some German a place on the ticket. It was promised that this should be done. Professor John C. Zinck was selected by the Germans of the county as a fit man to represent them, and it has been supposed that he would be nominated for the assembly. In the last two days, however, the party managers have been working to down Professor Zinck at any cost. Zinck's popularity and wide acquaintance made his defeat difficult, but combinations were made to-day that are said to insure his rejection.

It is said that not until late this morning did Mr. Hyzer consent to become a candidate, but his tacit consent was finally obtained, and the managers began paving the way to secure a unanimous delegation in the city.

### "Breaking In."

Many a man has "broken out," in a passion, and felt all "broken up," trying to get a new pair of shoes "broken in." He has had to "break off" many an engagement on account of his crippled feet, and has gone, "broke" many a time, trying to get a relief for his corns—the direct cause of ill-fitting shoes. You will find all this obviated by buying your footwear at the store of

## An Ample Fund of Pleasure and Health

May be derived from an ocean voyage and foreign travel. But before one gets one's "sea legs" on, as the sailor says, the abominable quinine, begotten of sea sickness, have usually to be gotten over. Delicate people suffer, of course, more than the robust from this ailment, but few sea travelers escape it. Against the frightful nausea it produces, Hostetter's Stomach Bitters is a reliable defence, and is so esteemed by tourists, commercial travelers, yachtsmen and mariners. An ailment akin to sea sickness often afflicts land travelers with weak stomachs. This is often brought on by the jarring of a railway train. Disquietude in the gastric region from this cause is always remedied by the Bitters, which also prevents and cures chills and fever, rheumatism, nervous and kidney trouble, constipation and biliousness.

IT IS HIGH CLASS COMIC OPERA

"Amorita" May Be Presented by the Calhoun Troupe at Myers Grand.

E. B. Shaw, business manager of the Calhoun Comic Opera Company, arrived last evening. The object of Mr. Shaw's visit is to inquire of our citizens if they desire to see first class comic opera and to learn if the probable patronage will warrant the bringing, for one night, an expensive company of forty-five people.

The comic opera which Mr. Shaw proposes to produce here, in case he decides to come is "Amorita." This opera is filled with brilliant music and catchy solos, is prolific in comedy lines and abounds in spectacular effects. The staging and costuming of the opera have been upon a magnificent scale. The company is an unusually strong one and its coming will undoubtedly prove the event of the season. Janesville people are usually quick to appreciate a good thing in theatricals and will without doubt respond in a manner to give Mr. Shaw an assurance of a liberal patronage.

CITY NEED NOT SUE  
OVER TRACK PAVINGLOCAL RAILWAY COMPANY  
MAKES CONCESSION.

Owner Blabon Wires Superintendent Proudfoot to Comply With the Common Council's Orders and Says Funds Will Be Forthcoming in Ample Season.

THERE will be no litigation between the city and the Janesville Street Railway company on account of the company's inability to improve their road bed on East Milwaukee street. The improvement is now progressing under the direction of Superintendent Proudfoot, and the action of the council yesterday afternoon will not be executed. Last evening Mr. Proudfoot received instructions from Mr. Blabon to go ahead and pave the track, and this afternoon a force of men were put to work tearing up the rails and grading the road bed for the blocks.

Mrs. M. L. HINMAN and daughter, Miss Blanche Hinman, of Dunkirk, New York, are guests of Mr. and Mrs. W. T. Vankirk, Milton avenue. Mrs. Hinman is a daughter of the late Colonel Miller, at one time postmaster in Janesville, and patentee of the Miller coupler. Her husband is president of the Brooks' locomotive works in Dunkirk.

MAJOR C. W. STARK of LaPrairie, is an expert weather prophet, and while in the city today he predicted a heavy snow storm on November 6, in Rock county. "It will be a republican snow," said he, "the flakes will be large and heavy enough to bury every democrat in the county. Why," he continued, "John Hogan won't be in it."

We made those fine suits and overcoats you see worn by the young, medium aged, and old gentlemen. Come in; select your suit and overcoat, and we will make you a stylish, perfect fitting garment, that will please you and will be a credit to our tailoring establishment. J. Weisend, Merchant Tailor, O. P. O.

In one corner of our large display ad. you will notice that we are agents for one of Chicago's largest tailoring concerns. Just notice what it says about prices. We will guarantee a saving of \$5 to \$10 on a suit or overcoat. What is the use of patronizing a high price tailoring concern. T. J. Ziegler.

THAT Plath affidavit about Major Upham's coupons would carry more weight if it didn't bear the finger marks of the democratic committee. A voluntary statement is one thing, and a cooked and seasoned pronunciation drawn by party bosses is quite another.

The Middlesex is a thoroughly seamless sock, full fashioned heel and toe. Comes in drabs, olive and tan. Try and find them any place but here for less than 25 cents a pair. We have cut the price in the middle, and while they last, two pair for 25 cents. T. J. Ziegler.

Does it make any difference to you about the pattern, the cutting or the color of the cut glass you buy? A. F. Hall & Co., "the reliable jewelers," assumed that it did, and have selected their stock with so much care that it cannot fail to please particular people.

THE ladies' shoes we are selling are the latest styles, made according to our own ideas to suit our many customers. No other house can give you this style, and nothing as neat for less than \$4. The A. Richardson Shoe Co.

THE wonderful increase in our business we can only attribute to the low price we are making on dry goods. We name some more to-day. We have many articles we don't want to move, and are sacrificing them. Bort, Bailey & Company.

KEEP the tickets we give you with Monarch tea. They are worth ten cents each, in silverware. Soon you will have a handsome Christmas present to present to some one, and it will cost you nothing. Dunn Bros.

IF all shoe houses sold as reliable a ladies shoe for \$3.00 as we do, no "judges" would be necessary, but it behooves one to watch-out now-a-days. The A. Richardson Shoe Co.

OLIVE CORNEAU, daughter of Mr. and Mrs. W. H. Corneau, North Bluff street, fell from a fence Wednesday night, breaking one of her arms between the elbow and wrist.

WITH every purchase of one pound of our genuine Monarch tea, we give a ticket good for some of that silverware we have displayed in our window. Dunn Bros.

WE guarantee those ladies' shoes we are selling for \$3 a pair to be at least \$1 better value than any other shoe house in the city can give. The A. Richardson Shoe Co.

Y.M.C.A. HAVE 100 MEN  
HARD AT WORK HEREPRESIDENT WHITEHEAD IN  
THE CHAIR.

District Work of the Sort that Started An Organization in this City—Modern Ideas as to Gymnasium Work—Greetings Sent to Other State Conventions.

A hundred young men, with square shoulders born of gymnasium training and clear eyes that told of a regular life discussed Y. M. C. A. work in the Congregational Sunday school room today. John M. Whitehead, newly elected president of the state Y. M. C. A., called the convention to order. H. Theodore Hanson of Baraboo had the first paper of the morning, his subject being "The Physical Department." He inveighed against the tendency toward two extremes in gymnasium work. Too many gymnasiums were used as play rooms with little effort at systematic training. In others the physical director spent his time with the stronger and more skillful pupils and made the concern an amateur circus.

"When the general routine of exercise becomes showy and difficult," said Mr. Hanson, "the weaker and more timid members of the class, the very ones we are supposed to help, will drop out and those not in special need of attention will occupy the entire time of the physical director."

The prime object of the physical department, Mr. Hansen declared, should be preventive and curative. The discussion that followed brought out the importance of strict and careful rules regulating the use of the gymnasium by juniors.

How District Conferences Are Held. It was a "district conference" that resulted in the establishing of a Y. M. C. A. in Janesville. How these district conferences are managed, was described by J. L. Rogers of Milwaukee. The district work is the means by which the association movement of Wisconsin is carried into the smaller towns, the small districts and places without organizations. The state is at present divided into six districts. The districts are based upon ease of communication and location around centers. The aim of the district committee is to study the needs of places in the district and to bring association agencies to the attention of these communities by doing a little of the actual work of the association in the various towns. The district plan has been very effective in reaching out and laying hold of the multitudes of young men in the smaller places. H. W. Kellogg, who is very successful as an organizer spoke, on "The State Membership and the Plan for Groups. Animated discussion followed.

Telegrams of greeting were sent to the Illinois, Pennsylvania, Massachusetts, Rhode Island, New York and Missouri conventions, each citing an appropriate passage of scripture. At the request of President Whitehead, C. B. Willis, of Milwaukee, led the convention in prayer that God bless the messages, and prosper the work in all the meetings to which the greetings had been sent.

## HAVE NO STRIFE IN THE PARTY

## F. M. Marzluff Makes a Suggestion as to Methods Used.

EDITOR GAZETTE—Now that the republican assembly convention is over, and a man nominated for whom every good citizen can vote conscientiously, it would probably not be out of place to make a few suggestions to our republican friends. Was it not imprudent for the people opposed to Mr. Nowlan's nomination to say that he could not be elected if nominated? Would it not have embarrassed these men if Mr. Nowlan had been nominated? Might not such talk antagonize Mr. Nowlan's friends? I simply ask these questions for information. It would seem to me that the friends of each candidate should do all in their power to honorably nominate their candidate. Every man has a perfect right to do that. But I think it is entirely wrong for any class of men to belittle the judgment of men who think and know they are supporting an honorable gentleman. I assure you, Oscar Nowlan's friends will do all in their power to elect Mr. Kimball this fall, and I make these suggestions only to remind the class of republicans I refer to, that their methods of defeating a candidate are against sound party policy.

## RUNAWAY CAUSED BY A DOG'S BARK

Anthony Dixon's Team Leaves Him in the Middle of the Street.

Anthony Dixon, the horse trainer was thrown from a carriage yesterday afternoon and dragged half a block. A dog ran out and frightened one of his colts and a runaway resulted. Mr. Dixon's companion was thrown out of the buggy almost as soon as the run began and the team had no interruption, going down Main street until they collided with Sheldon & Co's. delivery horse and broke two hitching posts. The reach of the buggy was broken, also two spokes in a wheel. Neither of the men sustained serious injuries, although Mr. Dixon was bruised about the hip.

THIEF BACK IN JAIL  
AND HORSE SAFECLINTON ROBBERY DONE BY A  
MILWAUKEE STABLE HAND

Charles Young Arrested While Trying to Sell His Stolen Steed—Prisoner is Anxious to Plead Guilty But Rock County Officers Wish to Investigate.

Charles Young is likely to spend two years or so in Waupun. He stole a horse and harness belonging to W. S. Thom of Turtle, October 9. At first it was thought he had escaped, but the Anti-horse thief society was on his trail, and Wednesday morning he was captured in Milwaukee by Special Rider M. A. Patchen of Clinton. Young, after wandering around in the woods of Walworth county, went to Milwaukee and placed his stolen horses in a boarding stable to be sold. Mr. Patchen, who arrived in Milwaukee Wednesday morning soon struck the trail.

Thief a Livery Stable Hand.

"Just wait a few minutes," said the liveryman to Mr. Patchen, "Your man will be in soon: he went out to a funeral as driver of one of our hacks. He has worked for us off and on for years."

Five minutes later, Young came in and was arrested. He was brought here last evening and lodged in jail.

This morning when brought before Judge Phelps, Young made a clean breast of the whole transaction. He waived all preliminaries and said he was guilty and ready to take his medicine. The court, however, appointed L. F. Patten to look after the man's interest, and proceedings were continued until October 26, Young going to jail in default of \$1,000 bail.

Young Was Known in Beloit.

The Beloit toughs now in jail serving time on account of the Ferrin assault, at once recognized Young when he entered the cage last night. Young was a tramping vagabond who hovered around Beloit last summer, and at one time he kept a very bad house just over the state line. He is a German but says he has been in America for over twenty-four years. He is not a very intelligent man and his actions at times appear very strange. He says he took the horse for revenge.

Horse Thief in Fulton.

A horse thief stole one of C. D. Merrifield's horses from his barn in the town of Fulton Wednesday morning, rode it a couple of miles and then changed it for one of Charlie Balch's which he rode on towards Ft. Atkinson. Both animals returned home showing hard riding.

## WORKING WOMEN.

## THEIR HARD STRUGGLE

Made Easier by the Timely Intervention of One Woman.

(SPECIAL TO OUR LADY READERS.)

All women work. Some in their homes, some in church, and some in the whirl of society. Many in stores, mills, and shops, tens of thousands are on the never ceasing treadmill earning their daily food.

All are subject to the same physical laws; all suffer alike from the same physical disturbance; and the nature of their duties in many cases quickly drifts them into the horrors of all kinds of female complaints.

—ovarian troubles, inflammation, ulceration, falling and displacement of the womb, leucorrhoea, or perhaps irregularity or suppression of "monthly periods"—causing severe backache, nervousness, irritability and lassitude.

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for all these troubles. It strengthens the proper muscles and displacement with all its horrors will no more crush you.

Backache, dizziness, fainting, bearing down, disordered stomach, moodiness, dislike of friends and society—all symptoms of the one cause—will be quickly dispelled, and you will again be free. Accept the truth.

You can tell the story of your pain to a woman, and get the help that only a woman can give. Her address is, Lydia E. Pinkham, Lynn, Mass.
